THE TOOTH BE TOLD

CHRISTOPHER D. BERRY, DDS

January 2019

Once again, our Barwick Blessings campaign was a huge success. Thanks to your generosity we were able to help several local families and school children. Thank you for helping us, help others.

Happy Birthday, Vicki!

Inclement Weather Office Policy

Weather happens. And we want to keep you up to date with what you can expect when it comes to our office and how we handle notifications of closing or appointment changes.

In the event of inclement weather, Dr. Barwick decides, based on the safety of our patients and staff, whether to close the office or delay opening. An email will be sent to our patients with an update and the front office staff will call all patients who have an appointment to inform them of the schedule change. We will also post an update on social media.

We do our best to make sure you have the information you need up front.

If you have any questions on a day when the weather is iffy, please call the office: 336-570-3882. You'll either get a bright hello from one of our amazing staff members, or a detailed recording with information about our office schedule.

You can also go to www.digtriad.com (website for WFMY Channel 2). PLEASE NOTE: It will be listed on the WFMY website ONLY! Don't look for it on air.

Thank you for being a part of our patient family.

Stay safe and warm this winter!
