

KAREN D. BARWICK, DDS PA

THE TOOTH BE TOLD

CHRISTOPHER D. BERRY, DDS

February 2019

Happy
Valentine's Day!

Research shows that things like circulation, tooth decay, skin and headaches are all improved by the act of kissing.

A+

**Congratulations,
Belinda!**

Our most recent A+ Patient Winner of a new Oral-B Electric Power Toothbrush.

Happy 18th
Anniversary,
Rolla!

February 13th

HELLO
my name is

Lindsay

Getting to Know Lindsay Mountford...

Lindsay, originally from California, joined our office as Dr. Berry's assistant in May 2018. She is an avid reader, loves travelling and loves teaching others. Herself a graduate, Lindsay will join the Faculty of our Dental Assistant Training Center next month.

- **Where is your favorite place to listen to music?** *In the car*
- **What is the most daring thing you've ever done?** *Bungee Jumping*
- **Do you (or would you) sing at Karaoke night?** *Of course! Put on "Proud Mary" and I'll sing my heart out*
- **What TV show do you never miss?** *Game of Thrones*

Simple Steps:
Prevent Baby Tooth Decay

Did you know frequent exposure to sugary drinks, including baby formula and milk, can lead to baby tooth decay? Protect your baby's teeth using these tips.

- Avoid giving milk or juice at bedtime. Use water or a pacifier as good alternatives.
- Avoid sugary drinks in general and limit juice and other beverages to mealtimes.
- Transition to a drinking cup as soon as your child is able.
- Mom's should avoid sharing anything that would transfer cavity causing bacteria including cups, spoons, toothbrushes, etc.

Do not clean a pacifier with your mouth.

Tooth Fairy in Disguise

Lori Welch Wilson

In 1989, Lori Welch Wilson followed her passion and graduated from the Dental Assisting Program at Alamance Community College in Burlington, North Carolina. She has been a pediatric dental assistant for 27 years, and has been “The Tooth Fairy” for 18 years of her dental career. She resides in Yanceyville, North Carolina with her husband, Ricky, and their two sons, Logan and Luke. She believes it is her personal calling to be an advocate for promoting good dental health in children.

Books are available for purchase for \$10, cash or check.

Visit “Tooth Fairy in Disguise” on Facebook for more info on where to purchase!
